

Coffee or Tea for YOU & ME

YOU are invited to have coffee or tea with ME. Together, we will stop our busy worlds and enjoy a few precious moments together. I realize we can not be face to face but we can certainly be heart to heart.

I've enclosed one of my favorite selections. I'll be sipping from my favorite cup and I hope you'll be doing the same. I look forward to being with one of my favorite people in all the world... YOU!

Please give me a call and let's set a time that works for you.

Yes, I've also enclosed a little something I would like to share with you. Please do not open your letter until our time together.

You are such a Blessing in my life,
