*It is the Blessings of the Lord that makes us Rich*

Proverbs 10:22

This is an example for your handwritten Blessing Card

Dear Son

The blessings of the Lord are quite awesome. They will carry one through out any circumstance, and are needed for this journey on earth. The world view on being blessed is different; it has to be visible such as a car, wealth, expensive clothes, or a great career.

The Lords view of a blessing is not like ours. His blessings are numerous, deep, lasting and immune to change. One of my favorite blessings is God's presence; no matter the circumstance God is with us and says he will never leave us. Circumstances change such as when I was physically exhausted only to find out I was diabetic. This was not supposed to happen to an athletic, driven female! And I certainly did not feel blessed!

Every time I looked into your eyes I felt God's presence. Remember my painful return to exercise? You and your Dad were right there encouraging me to focus on the goal. Your affirmations of "You are going to make it, Mom" or "Don't look down at your feet, think about where you're going", carried me through the hard times.

God allowed this circumstance to bless us both. It has shaped you into a compassionate young man; an advocate for others.

Continue to love the Lord and experience His blessings

Love you

Mom
