

Love

The Lord is good and his love endures forever.

Psalm 100:5a

This is an example for your handwritten Blessing Card

Hi Sweetie,

I know this has been a rough time for you, and I want you to know I love you. I would give anything to take away your pain but I can't. What I can do is introduce you to my savior and friend Jesus. Oh how I long for you to get to know him; To experience his everlasting Love.

He won't leave you and his love is unconditional. He will rejoice when you spend time with him and his remedy for pain is better than what I can do. And the best part is... there is nothing you can do to make him leave you. He desires your love and provides for us. He wants the best for you. I know this sounds bizarre but he loves you more than I ever could.

Your Mom
