Hi Harrison

You are a very special boy ever since you were born 9 $\frac{1}{2}$ years ago. God is with you. He goes everywhere with you, even to camp!

He promises in the Bible that He will never leave you or forget you.

Isn't that wonderful? You can't travel away from Him. You couldn't and you wouldn't want to right?

So if God is always with you, you don't need to be afraid of anything, or anyone, or any situation.

You can be strong. Act strong. Be happy. God is really strong and He's with you, all the time. He's with us too! He fights for us, and that makes us happy. So we honor Him. We love him very much and we love you too.
