

Dear Dad,

On this Dad's day 2007

I want to give you a  
Blessing

I am blessed because your reverence for God is so strong that you will not let us call this Father's Day. You have always said we only have one Father and he is in Heaven.

I am blessed because you love this Father and have asked the Lord Jesus Christ into your heart.

I am blessed because you are a praying dad, husband and friend.

I am blessed with the memory of going to the around the clock prayer before two revivals; one in Calvert and one in Franklin. You demonstrated that the middle of the night is a

time to pray and prayer goes before Great  
movements of the Lord's Power.

I am blessed with the memory of watching you  
polish the brass at the Calvert Church one  
Saturday afternoon. You demonstrated that  
God's servants do even the hard mundane task  
in the light of His glory, not mans.

I am blessed because you and mom took me to  
church, revivals, vacation bible schools, church  
socials, and church camps.

I am blessed because you Love the Lord and  
want to know more about Him.

I am blessed because you trusted God's power  
enough to stop drinking and smoking

2 Cor 2:14

I am blessed because you were home and didn't  
leave our family.

I am blessed because you worked in the hot hot sun for our family as a welder on the railroad.

I am blessed because you trusted God and were given the blessing of marriage to mom.

I am blessed because I can see God in the creative things your hands make with wood and iron.

I am blessed you trusted God enough to move our family to Franklin.

I am blessed because God loves you unconditionally.

It is the blessings of the Lord that make us Rich. Proverbs 10:22

"Thanks be to God who always leads us in triumph in Christ and through us diffuses the fragrance of His knowledge in every place."  
"In Christ, God leads us from place to place in one perpetual victory parade!"

2 Corn 2:14

1 Corinthians 12 Let the Truth set you free

Thank you!

Thank you!

Thank you! + all glory to God alone!

Without the power of prayer that went before this study I know that I would not have been able to write this or remember the memories. The letter was an easy yoke took me to write almost as if someone else were writing it. May the generations to come see each parent as a 4. My dad's dad was a zero to him. My dad has been a zero to me 50000 for! God is powerful. P!!

Always
