THE MEASURE OF A MAN

Featuring Dr. Gene Getz

Over 25 years ago a book was published. Little did the author know he had written the book that would ignite the flames of revival in the hearts of millions of men, not just in the United States, but around the world. Looking back, many church historians point to one book that may have started it all....The Measure of a Man by Dr. Gene Getz.

Now this classic best selling book is destined to become a classic best selling video/DVD series. Why has this book been used in such a powerful manner and translated into over 16 different languages? It's simple, Gene says, "I stole the concepts from one of the greatest authors of all time... the great Apostle Paul". Drawing from Paul's maturity profile in I Timothy and Titus, Gene outlines the 20 character traits of a Godly man. In his simple straightforward style Gene lays it out "This is what a Godly man looks like. This is what a Godly church leader, husband, businessman, pastor, or teenager should strive to become". The Measure of a Man...10 video/DVD sessions that will help each man begin his journey toward Christian maturity.
