

Introduction to Sermon Series

“Making Sense of Life.....When Life Doesn’t Make Sense”

Congratulations! Your choice to purchase the Crisis 101 Series will pay back benefits for years to come. It is a guarantee that everyone will be faced with difficult, challenging and even tragic crisis situations throughout their lives. As long as we live in this world we cannot escape it.

Each of the outlines has been thoughtfully prepared and subjected for review by Robert Morgan and our staff of qualified Bible teachers. We especially thank Rev. William Sword for his insight into these compelling subjects. His 40 years of Bible study and pastoral work were invaluable in putting the outlines together. Feel free to use them at your discretion to cut, slice, and dice as needed for your application. Please take notice of the points below as you prepare to use the outlines that have been provided.

- 1. Except for outline 1 (Exodus Sermon) there is no particular order for the messages to be used. Just choose them as needed for your own situation.**
- 2. Keep in mind, these are only “outlines”. They are not exhaustive and we are sure that much more could be covered on each topic.**
- 3. At the beginning of each outline is a special note to the speaker as to how the message applies to the Crisis 101 Rules.**
